14 **SECTION 1.**

15 Title 17 of the Official Code of Georgia Annotated, relating to criminal procedure, is  
16 amended by adding a new Article 5 to Chapter 4, relating to arrest of persons, to read as  
17 follows:

18 "ARTICLE 5

19 17-4-80.

20 The commissioner of public safety shall develop a uniform nontraffic citation and  
21 complaint form for use by all law enforcement officers who are empowered to enforce the  
22 criminal laws and ordinances in effect in this state. Such form may serve as the citation,  
23 summons, accusation, or other instrument of prosecution of the offense or offenses for

1 which the accused is charged as provided in this article, and as the record of the disposition  
2 of the matter by the court before which the accused is brought, and shall contain such other  
3 matter as the commissioner shall provide. Each such form shall have a unique identifying  
4 number which may serve as the docket number for the court having jurisdiction of the  
5 accused.

6 17-4-81.

7 The Board of Public Safety, by rule and regulation, shall establish a system of  
8 accountability for all nontraffic citations and complaints, and it shall also provide the  
9 procedures governing the use and issuance of such citations and complaints in accordance  
10 with the provisions of this article.

11 17-4-82.

12 (a) A law enforcement officer empowered by law to make an arrest for a criminal  
13 misdemeanor offense shall have the discretion to issue a nontraffic citation and complaint  
14 to any person whom he or she has reasonable grounds to believe has committed a nontraffic  
15 misdemeanor in the presence of the officer or within the immediate knowledge of the  
16 officer. A nontraffic citation and complaint may be issued in the field or at the  
17 headquarters or any precinct station of the law enforcement agency of the officer instead  
18 of or subsequent to a lawful arrest.

19 (b) A law enforcement officer may issue a nontraffic citation and complaint if:

20 (1) The accused provides reasonable evidence of proper identification;

21 (2) The accused agrees to acknowledge receipt of the citation and of his or her obligation  
22 to appear for trial. The officer shall advise the person that signing the citation is not an  
23 admission of guilt and that failure to sign will result in the person having to post bond.  
24 If the person refuses to sign the citation, it shall constitute reasonable cause to believe that  
25 the person will not appear at trial and the officer shall not be authorized to issue such  
26 citation and shall proceed to arrest and bring the person before a judicial officer as is  
27 otherwise provided by law;

28 (3) The accused can show reasonably sufficient evidence of ties to the community;

29 (4) The accused reasonably appears to not represent a danger of harm to himself or  
30 herself, another person, or property;

31 (5) The accused has not previously failed to appear or failed to respond to a citation or  
32 other criminal court notices;

33 (6) Arrest and further detention of the accused does not appear to be necessary to carry  
34 out legitimate investigative action; and

(7) There is not a reasonable likelihood that the offense or offenses would continue or resume.

(c) An accused shall not be eligible to receive a nontraffic citation and complaint under this article if the misdemeanor offense is an act of family violence as defined in Code Section 19-13-1 or if the accused is on probation or parole or has any outstanding warrants for his or her arrest.

17-4-83.

(a) The nontraffic citation and complaint form developed by the commissioner of public safety pursuant to this article shall be designed to:

(1) Identify the offense and Code section which the person is alleged to have violated, including the date of the offense and, if material, the property and persons involved in the offense;

(2) Record the name, address, telephone number, and other identifying information of the person cited;

(3) Identify the law enforcement agency and the officer issuing the citation;

(4) Direct the person cited to appear for arraignment in a designated court at a designated time and place; and

(5) List the name, address, and telephone number of the victim and witnesses or indicate that such information will be contained within a report made by the arresting officer with instructions on how to obtain such report.

(b) Except for offenses tried in the superior courts, all other courts having jurisdiction of the offense charged in the nontraffic citation and complaint may proceed with the adjudication of the offenses contained within the complaint without the necessity of filing an indictment or other accusation in order to bring the accused to trial.

(c) A copy of the citation shall be delivered to the person cited and the original shall be filed with the prosecuting officer of the designated court.

(d) If the prosecuting officer of the designated court decides to prosecute the offense or offenses charged, he or she may file the nontraffic citation and complaint with the designated court as the charging accusation or summons or the prosecuting attorney may substitute his or her own accusation pursuant to Code Section 17-7-71. If the prosecuting attorney declines to prosecute, he or she shall notify the law enforcement agency which issued the citation and shall also notify the accused that the accused shall not be required to appear as directed in the citation.

17-4-84.

1 The issuance of a nontraffic citation and complaint shall not bar the subsequent issuance  
2 of an arrest warrant, accusation, or indictment for the same offense.

3 17-4-85.

4 Any person charged in a nontraffic citation and complaint with committing a criminal  
5 offense requiring that such person submit to post-arrest processing, which shall be deemed  
6 to include, but not be limited to, being fingerprinted, described, photographed, and other  
7 pertinent identifying data obtained, shall submit to such post-arrest processing either at the  
8 time of arrest, arraignment, or as thereafter directed by the court."

9 **SECTION 2.**

10 Said title is further amended by adding a new paragraph (3) to subsection (b) of Code Section  
11 17-7-71, relating to trial of misdemeanors, to read as follows:

12 "(3) In all misdemeanor cases arising out of violations of the laws of this state for which  
13 a nontraffic citation and complaint was issued, the defendant may be tried upon the  
14 citation provided for in Article 5 of Chapter 4 of this title."
